

*Class of* 51

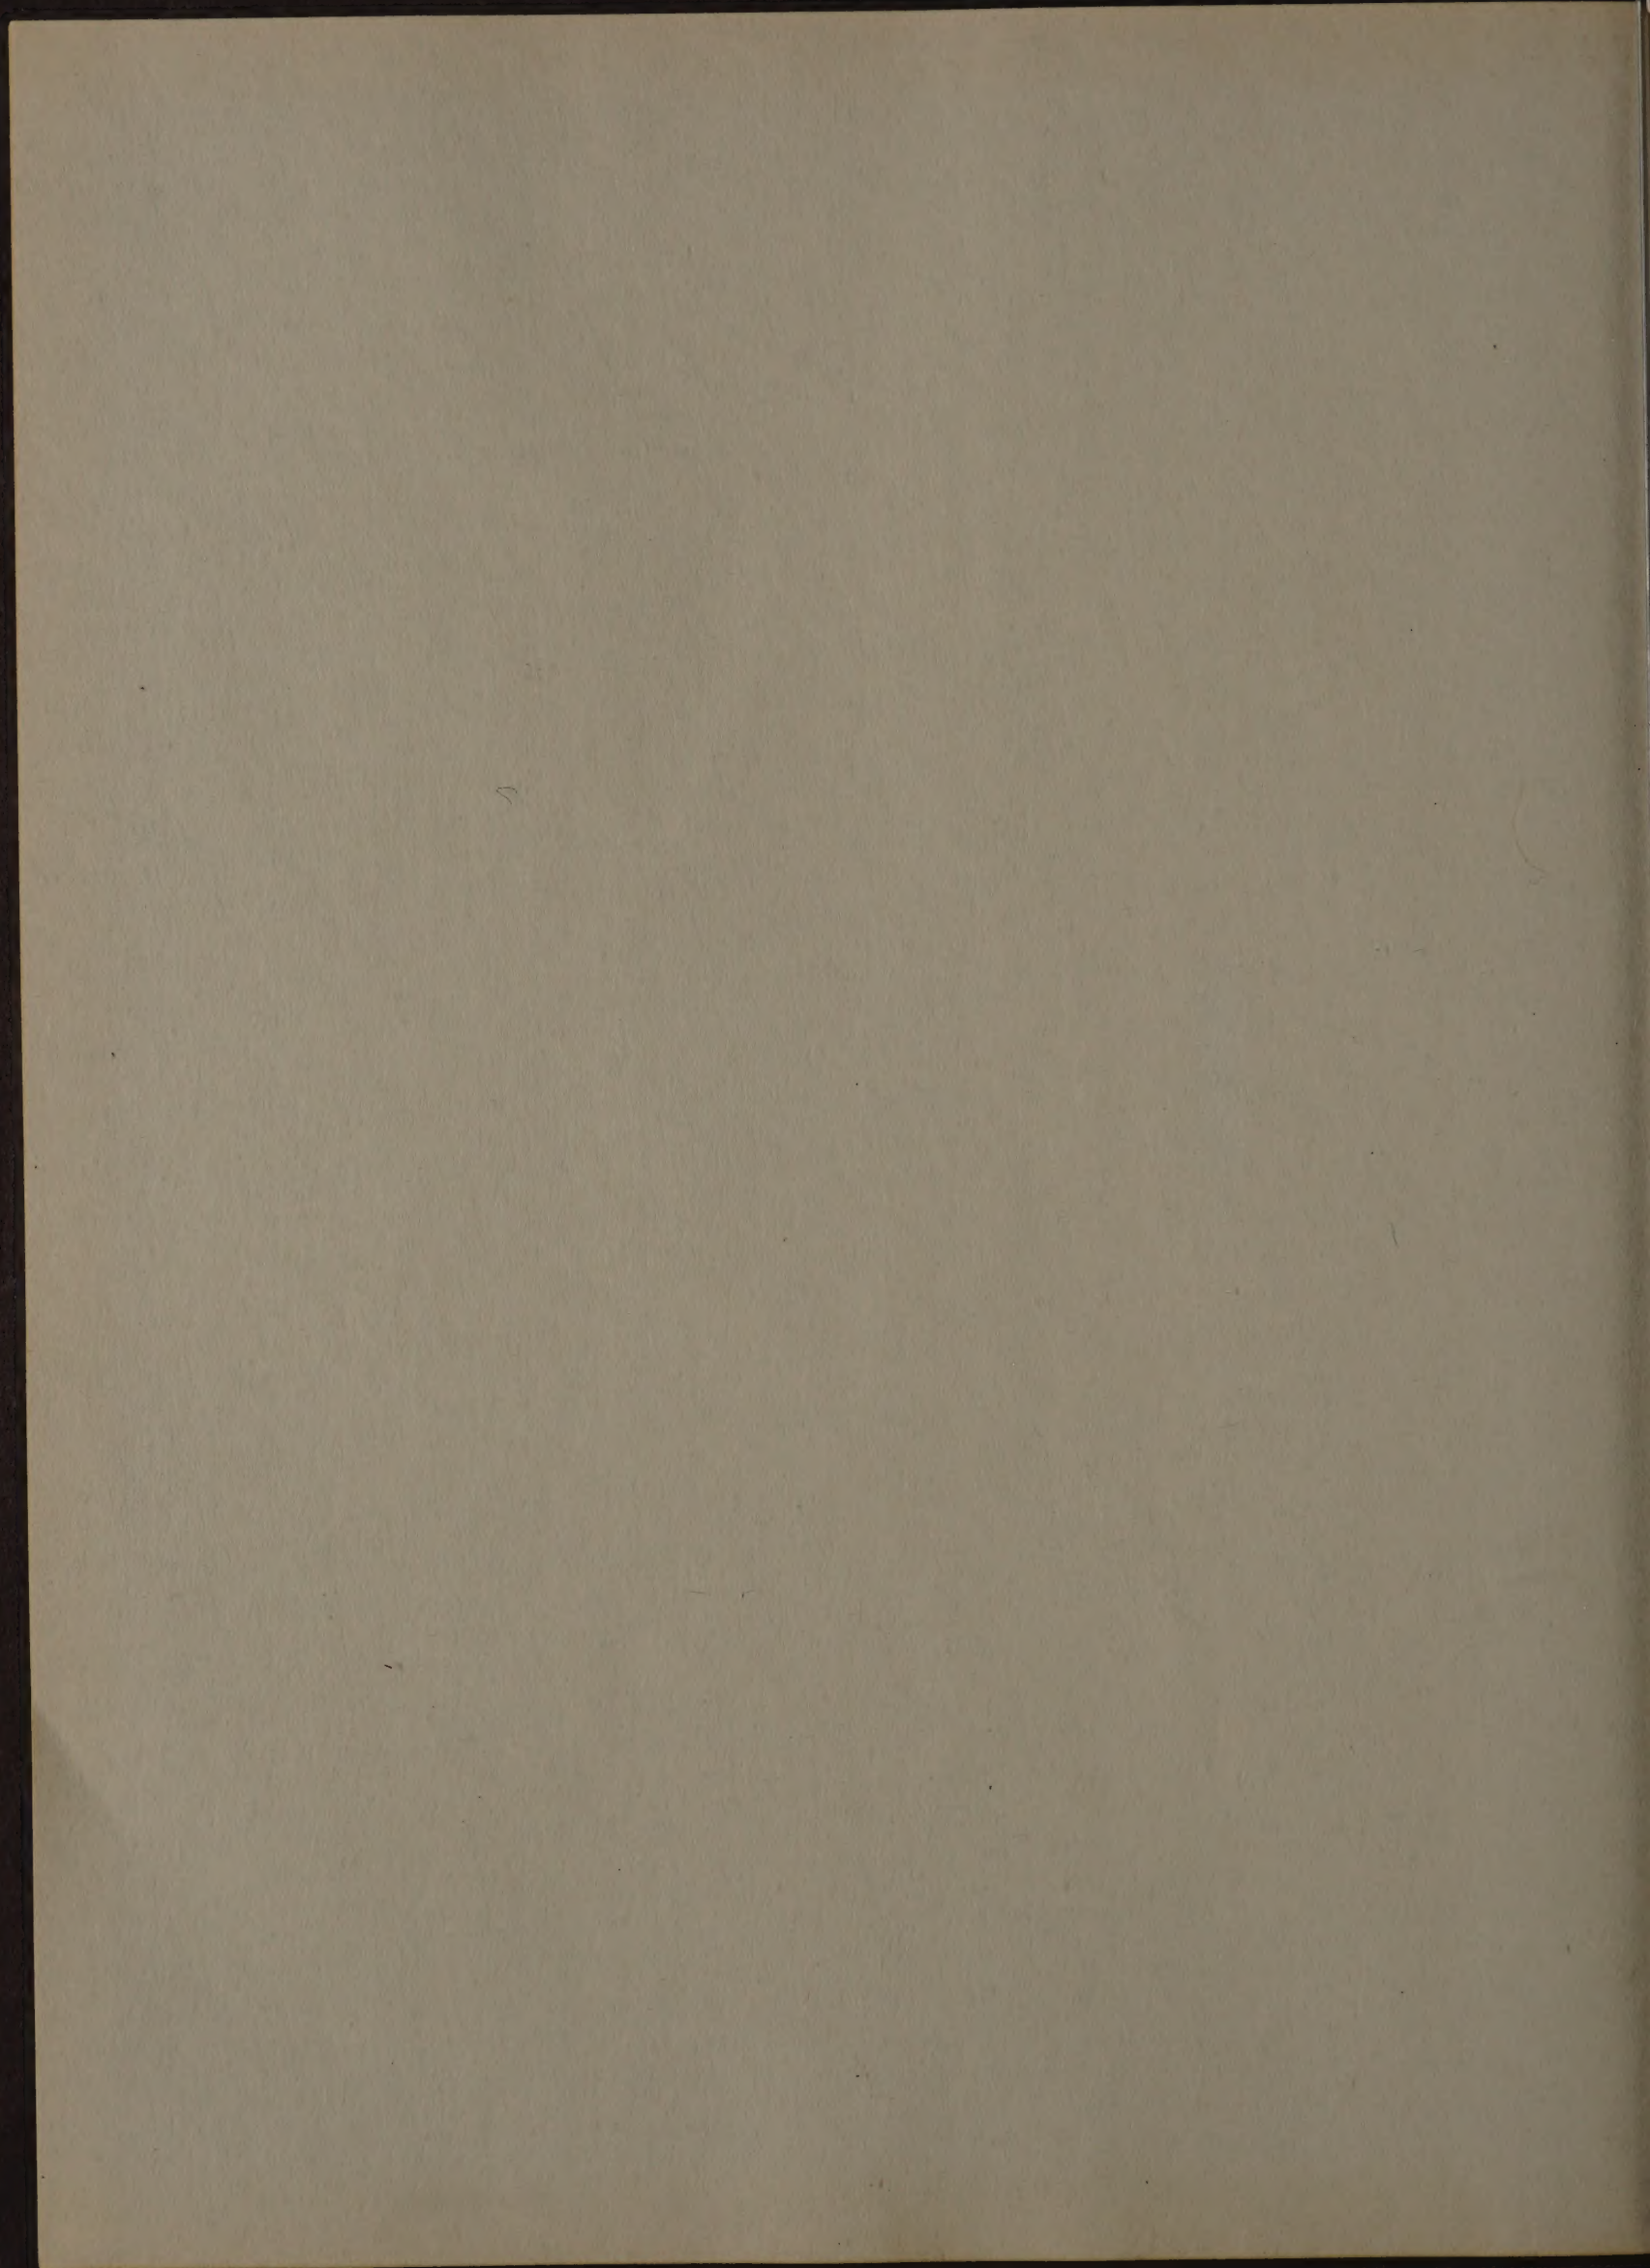

1951 . . . . .

Torkisean

WE the class of 1951 consider our four years spent in High School to be momentous and priceless ones.

Our television theme is a tribute to modern science and the progressive living we know today. Through this medium we shall endeavor to present ourselves to you in the form of a television show, amidst our classmates and teachers, in class and at play, serious and frivolous; sublime and ridiculous; sombre and gay . . .

# Seniors....

The senior senate—the directors of our last scene.

The Class of '51 came into view of the television cameras with their fears of the spotlights, but soon overcame them. Jim McClain served as the director of the class. Their next year under the spotlights was even brighter under the supervision of Mary Lou Richards. They won the annual magazine drive with Florence Firm coming in as the top salesman. Their assembly, a minstrel, was a huge success. Then came their third year with director Dan Visnick. Again they won the magazine drive. The class presented "Seventeenth Summer," their Junior Class Play, as their tribute to dramatics. Stardust was the theme for the Junior-Senior Prom which was held in the gym. Florence Firm, top salesman of the class, was chosen for the director of their finale. For the senior class play they chose "You Can't Take It With You" leaving all proceeds to the organ fund. They had a successful "Kid's Party" which the whole class enjoyed. They are looking forward to their final performance in caps and gowns. The television screen is rather blurred for the future. The next program is yet to be announced.

This is your home room and over here is the Dean's Office. Don't worry, you won't get lost. These are the words the junior and senior "big sisters" tell the freshmen "little sisters" before school opens. In this way, the freshman girls become acquainted with the school. (T.V. Stage)

Miss Hammond is advisor with Mary Low Richards as chairman.

The Delphians, our Language Bureau of T.V., relives the days of the Romans. They made a trip to Pittsburgh in February. They also had a nice Christmas party. Officers for 1950-51 are: Consuls, Vivian Redmond and Joy Grill; Praetor, Doris Payne; Censor, Angeline Argentine; Quaestor, Wanda Milligan.

The Social Board of Directors of our T.V. show is composed of one representative from each home room and the presidents of our high school's organizations. Under the direction of Mr. Patterson, it added two pop machines to the school, sponsored lyceum programs, planned two all-school parties, and joined the National Association of Student Senate.

Officers for 1950-51 are: President, Tom Bruce; Vice President, Letitia Arehart; Secretary-Treasurer, Shirley Murphy; Sergeant-at-Arms, Dave Shiltz.

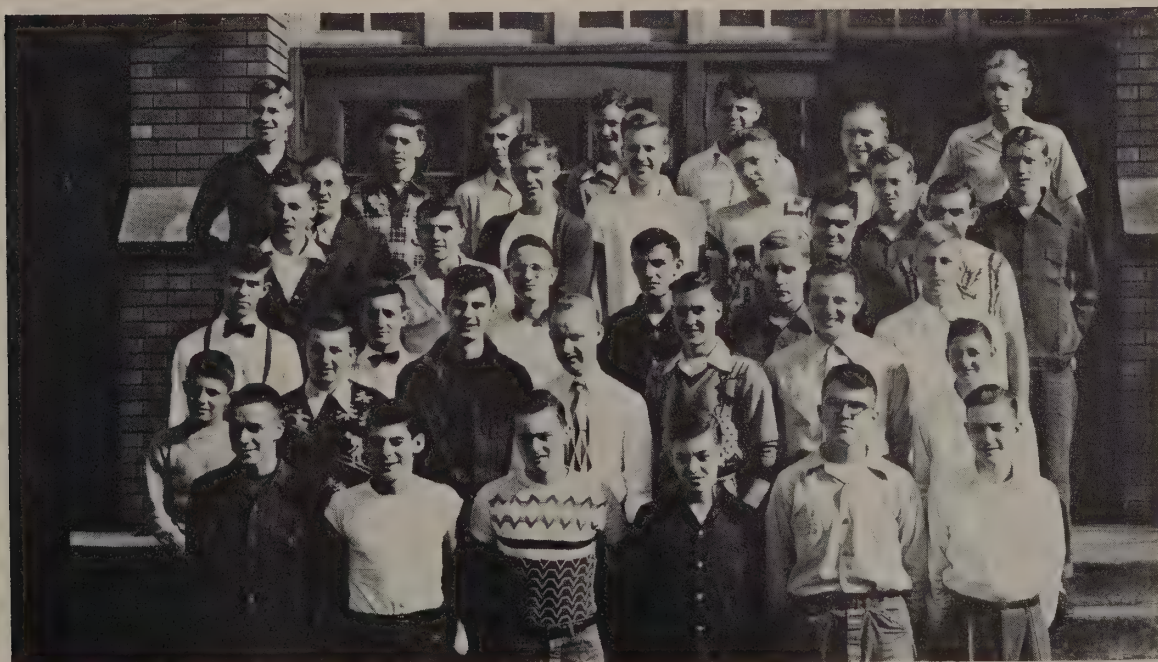

These are the T. V. technicians, the ones who lead our extra-curricular activities. Each one can hold one major office and must have a "C" average in his studies. They boost the social life in school and work for club improvements.

The Christian Hour on T.V. features our Y-Teens. This group represents girls who are devoted to realizing the ideals of personal and social living as a Christian should. They presented an inspiring Easter program during the Easter Season.

Officers for 1950-51 are: President, Phyllis Sutherin; Vice President, Mary Agnes Wise; Secretary, Valerie Bradfield; Treasurer, Peg Custer; Corresponding Secretary, Peggy Andrews; Advisors, Miss Hammond and Miss Maud.

This group of boys maintain the beliefs of a Christian youth. They meet at noon hour under the supervision of Mr. LeBlanc. Their Thanksgiving T.V. program was really swell, and their basketball team made a good showing.

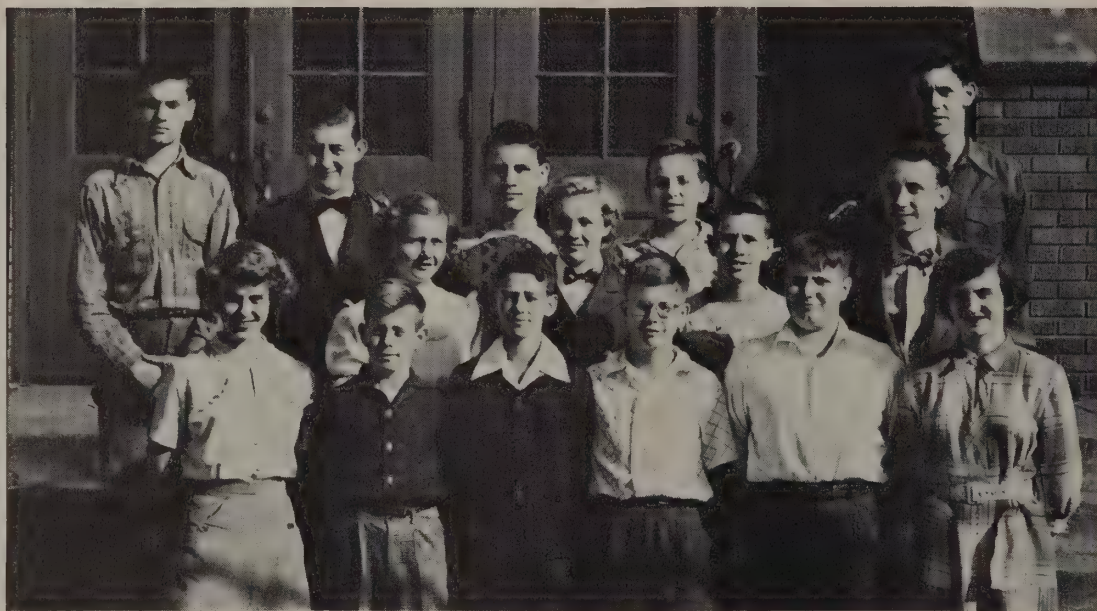

Officers of 1950-51 are: President, Bob McKelvey; Vice President, Dave Shiltz; Secretary, Tom Urich; Treasurer, Greg Tulencik; Sergeant-at-Arms, Dave Nixon, Chaplain, Ed Smith.

Here are the T.H.S. strong-armed fellows with the varsity letters. They take care of the sports in our T.V. show, training all year round. Mr. Zimmerman and Mr. Kunzler are the advisors.

Officers for 1950-51: President, Earl Tarr; Vice President, Oliver Waggoner; Secretary-Treasurer, Ed Risler.

Hope you aren't alarmed if you see a bright flash over your T.V. screen. That is only some of Mr. Graubner's camera bugs getting pictures of our school activities.

Officers for 1950-51 are: Chief Shutter Bug, Gob Graham; Second Chief, Dana Huff; Data Keeper, Ed Sabados; Money Keeper, Bill McConnell.

These are the people who have given us the record of our show. They are the Torhisean staff.

This group televised one of the finest comedies we've seen in a long time. "You can't take it with you", directed by Ila Nicholson.

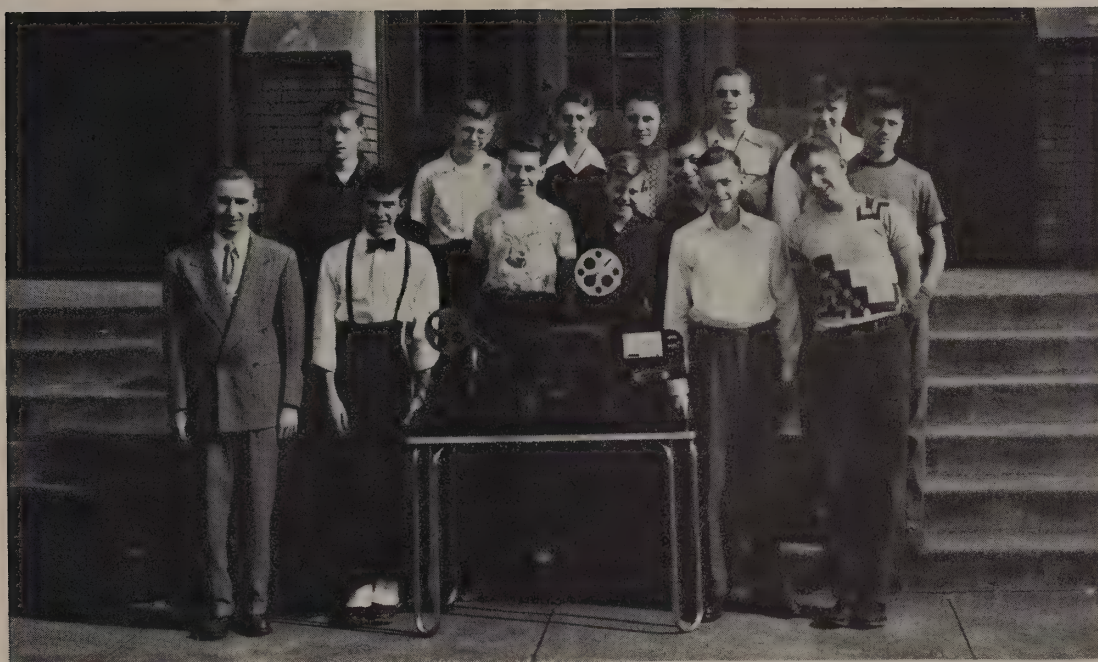

Every other Friday there is a mad dash to a staff member for a copy of the Mirror. The staff, under the direction of Miss Pfarr, works hard to keep us "hep" on all the news and happenings around our T.V. Studios.

Oh, yes! We mustn't forget the T.V. secretaries. They work in the principal's and the dean's offices and in the library. You can usually find them stamping books, answering phone calls, or delivering absentee lists.

Call a projector operator—film just arrived to be shown on the T.V. theatre. The club members, under the direction of Mr. Baxter, really served this purpose.

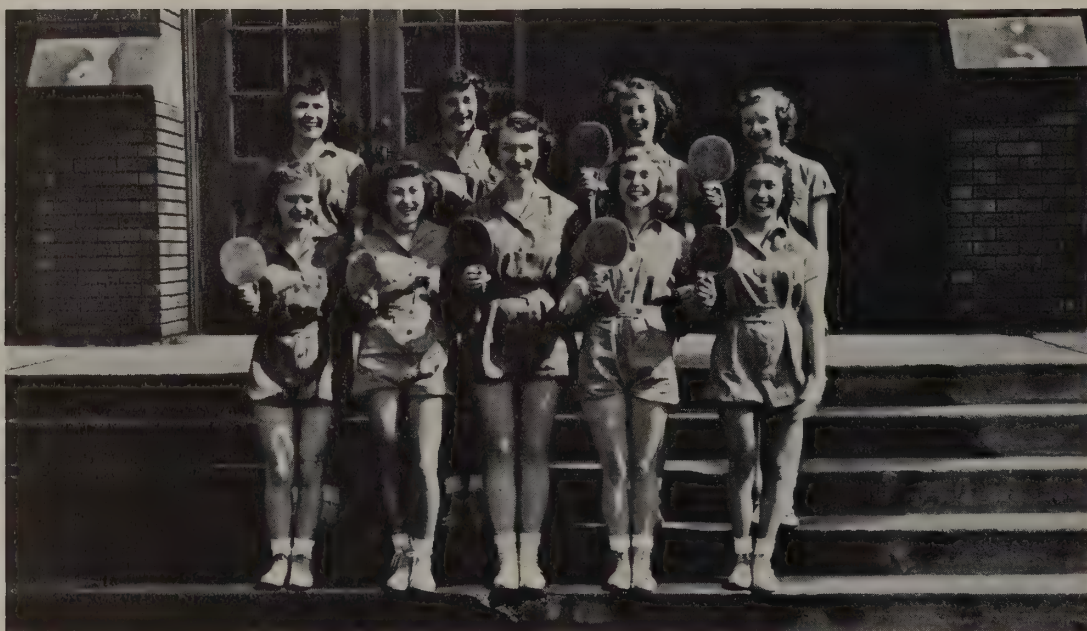

Homecoming Queen and court.

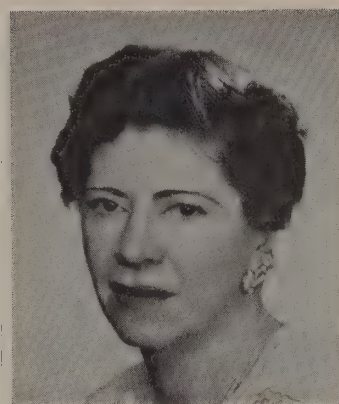

These two groups are the champions in our T.V. sports. Honey Sembar's team won the basketball tournament and Mary Smith's team, the badminton tournament. They play for the T.V. fans at noon hour.

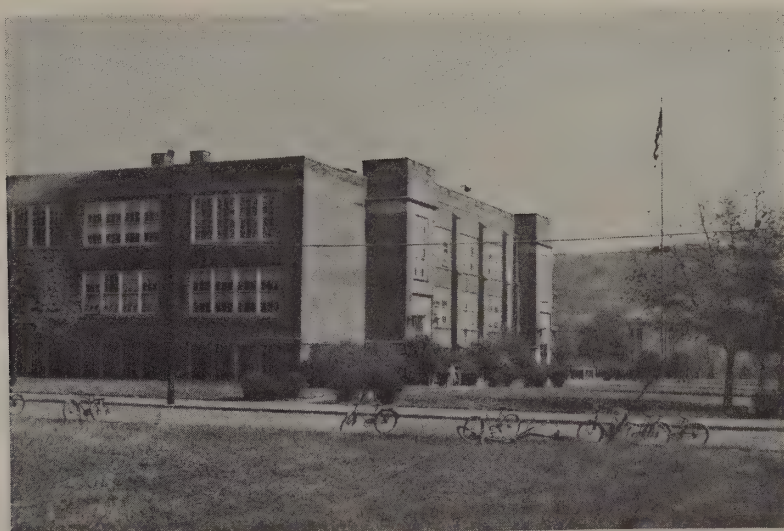

The Custodians

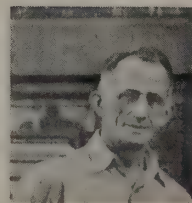

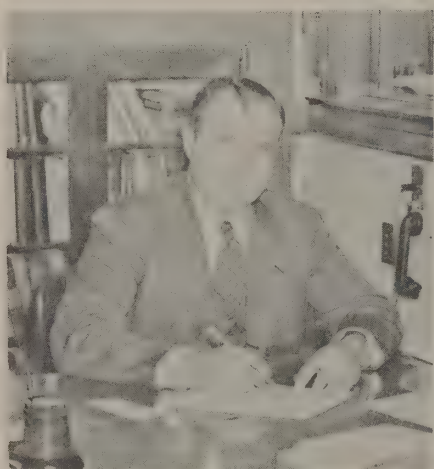

Miss Ann Donahue

Wonder who kept school?

20 years at T.H.S.

*Cheers!*

Brides of the year

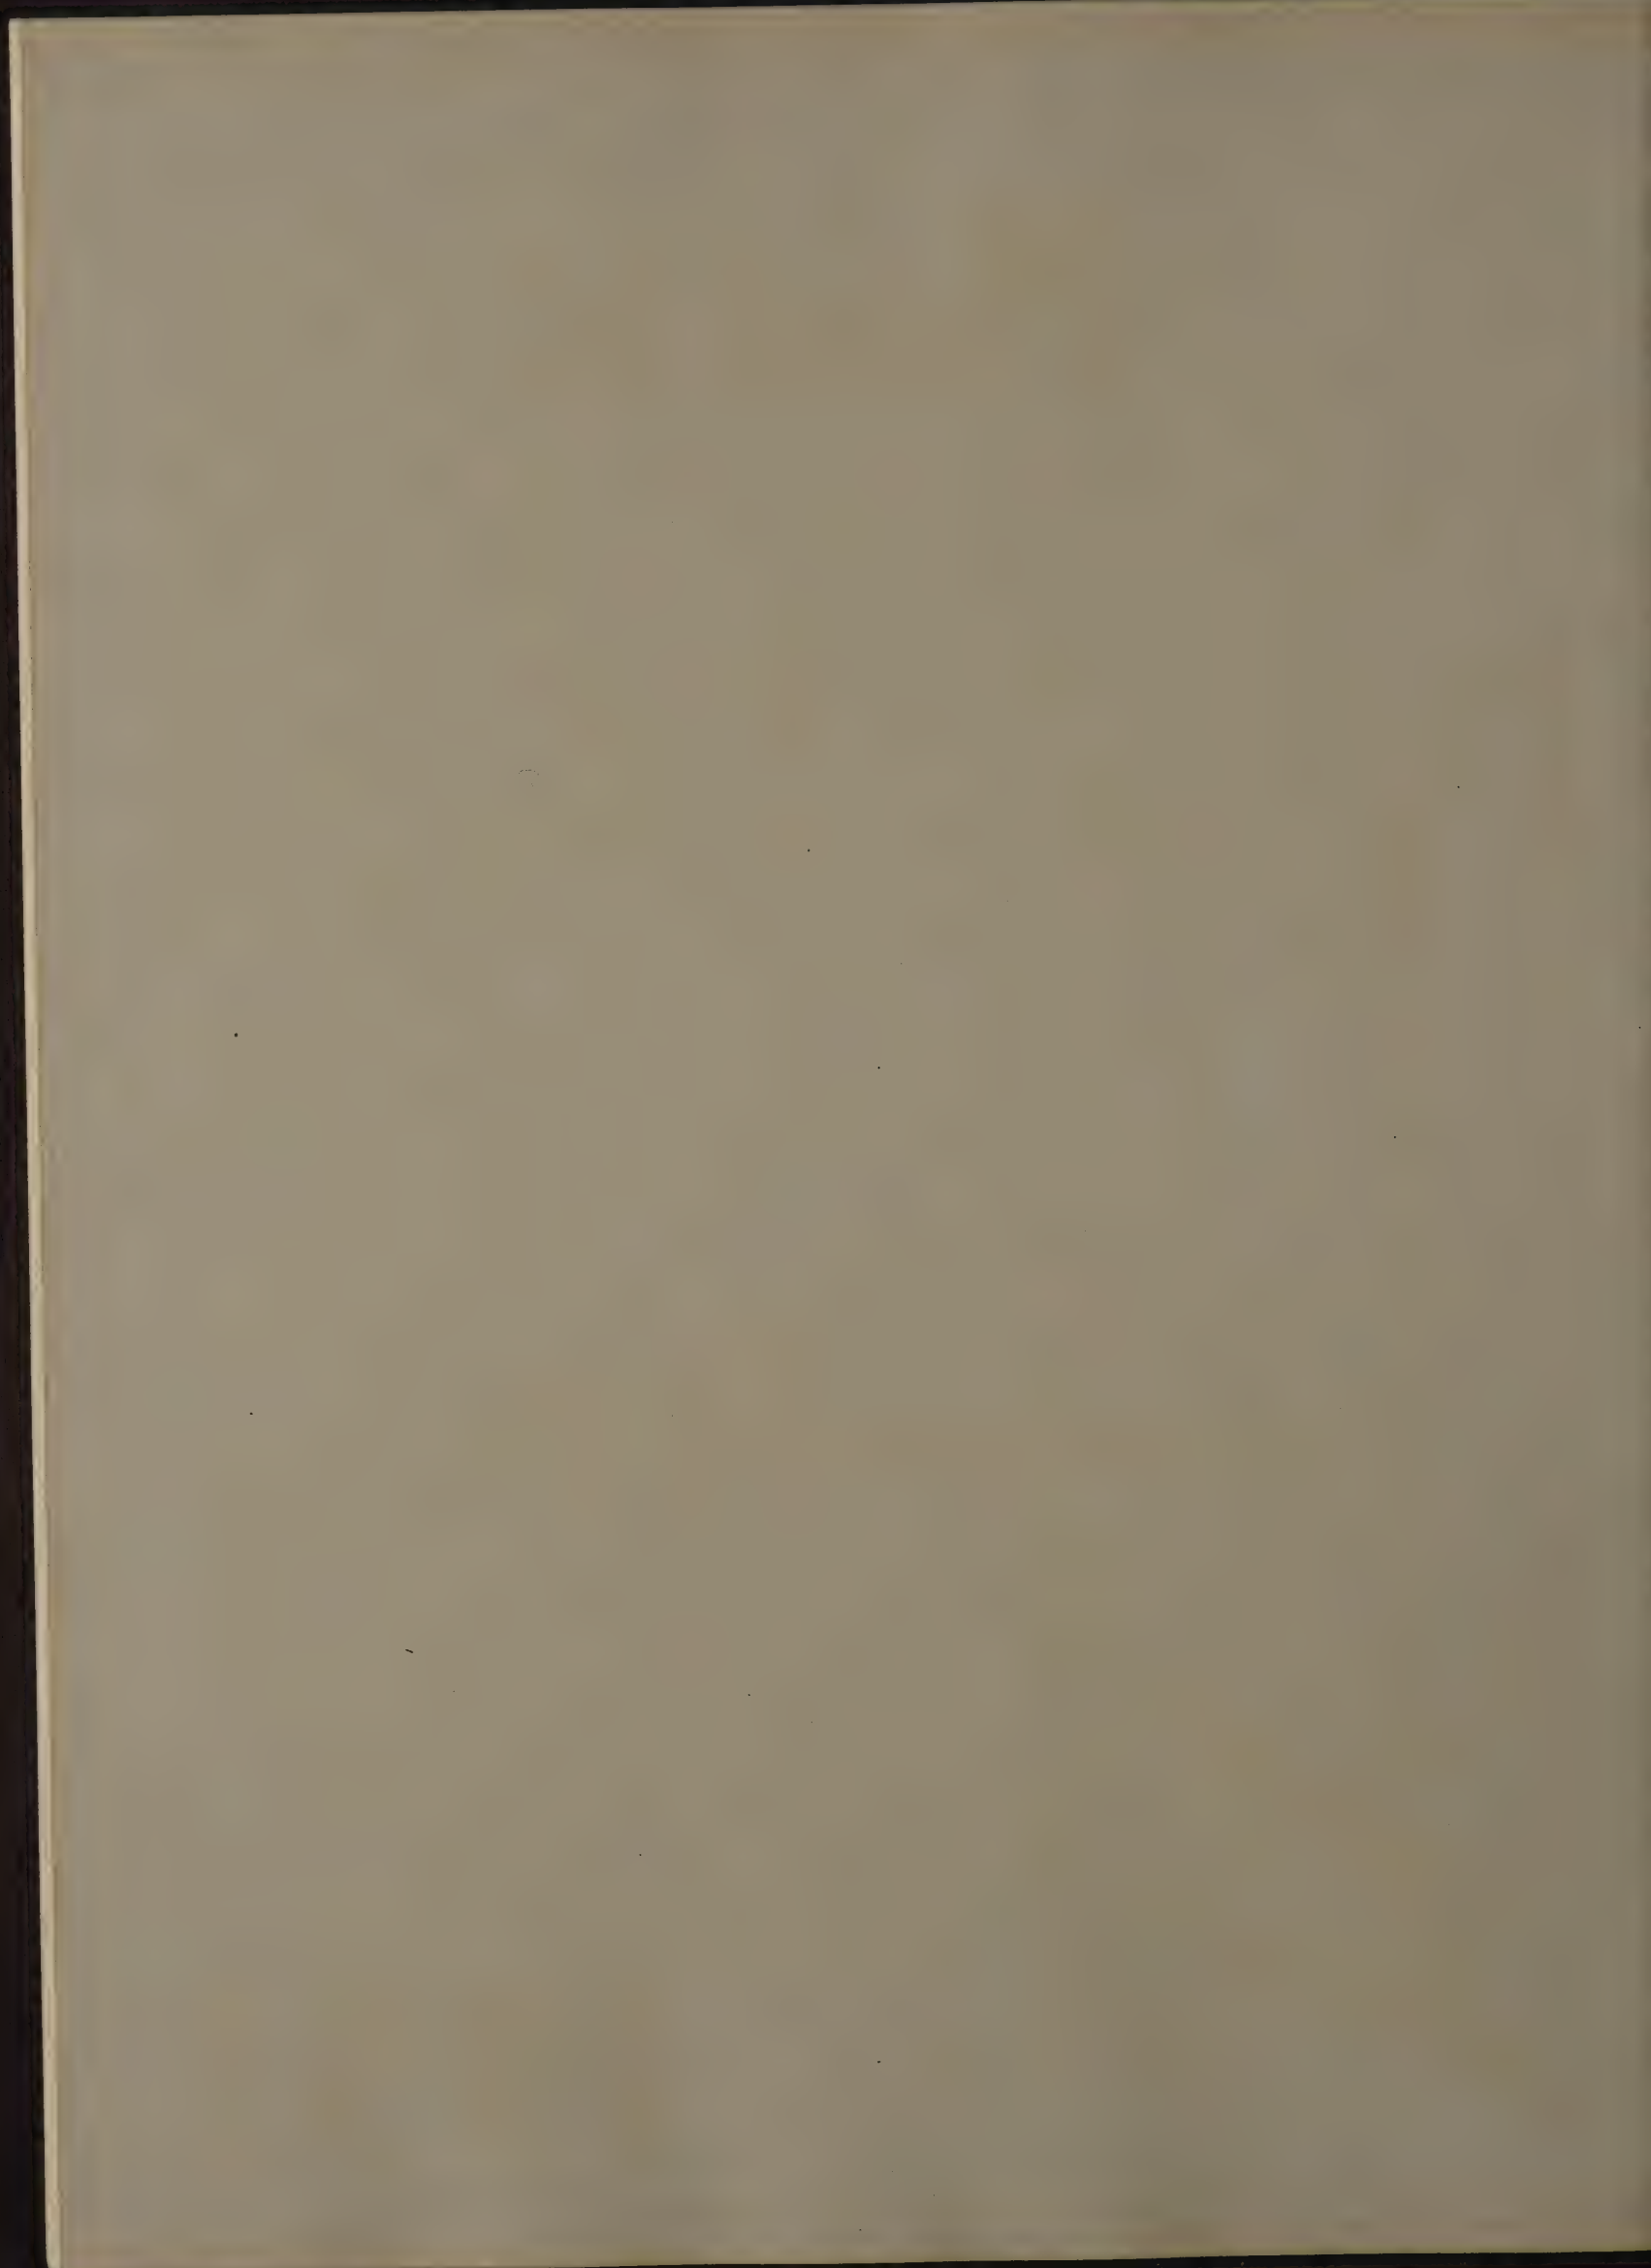

# Music

1951

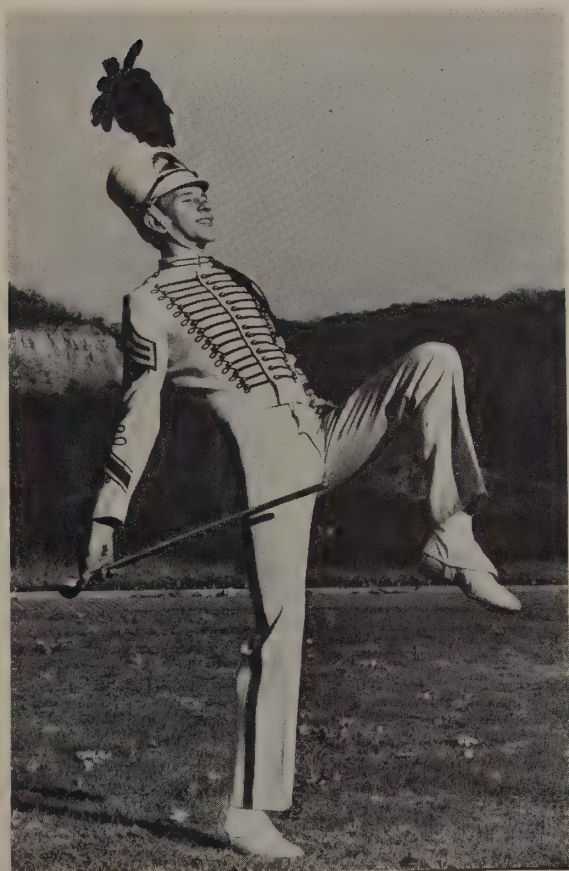

Brightening up our show is this strutting group of seven majorettes in their snappy uniforms. At each game they twirled to the music of the band and added their bit to the halftime show.

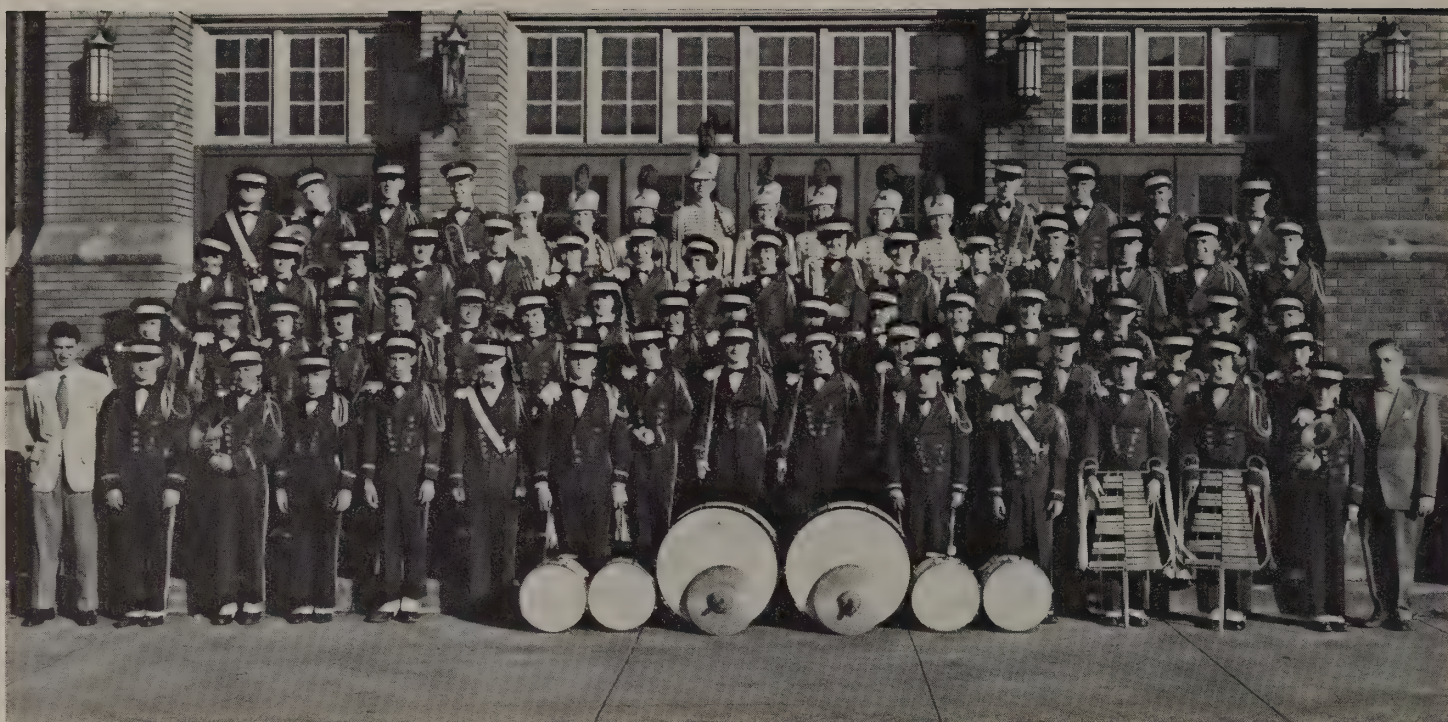

The majorettes for 1950-51 are Carolyn Shane, Barbara Baker, Aldona Pensis, Shirley Jeans, Letitia Arehart, Mary Agnes Fonow, and Mary Ann Vosvick.

Dressed in a bright uniform, leading the band down the field, is Dale Westlake, the T.H.S. band drum major, who adds much to our show with his strutting and twirling.

Dale is a junior and has been drum major at T.H.S. for two years.

The Toronto High Band plays a very important part in our television shows. It leads the parades and plays at all the football games, rain or shine. Once a year they have a show of their own, the annual band concert.

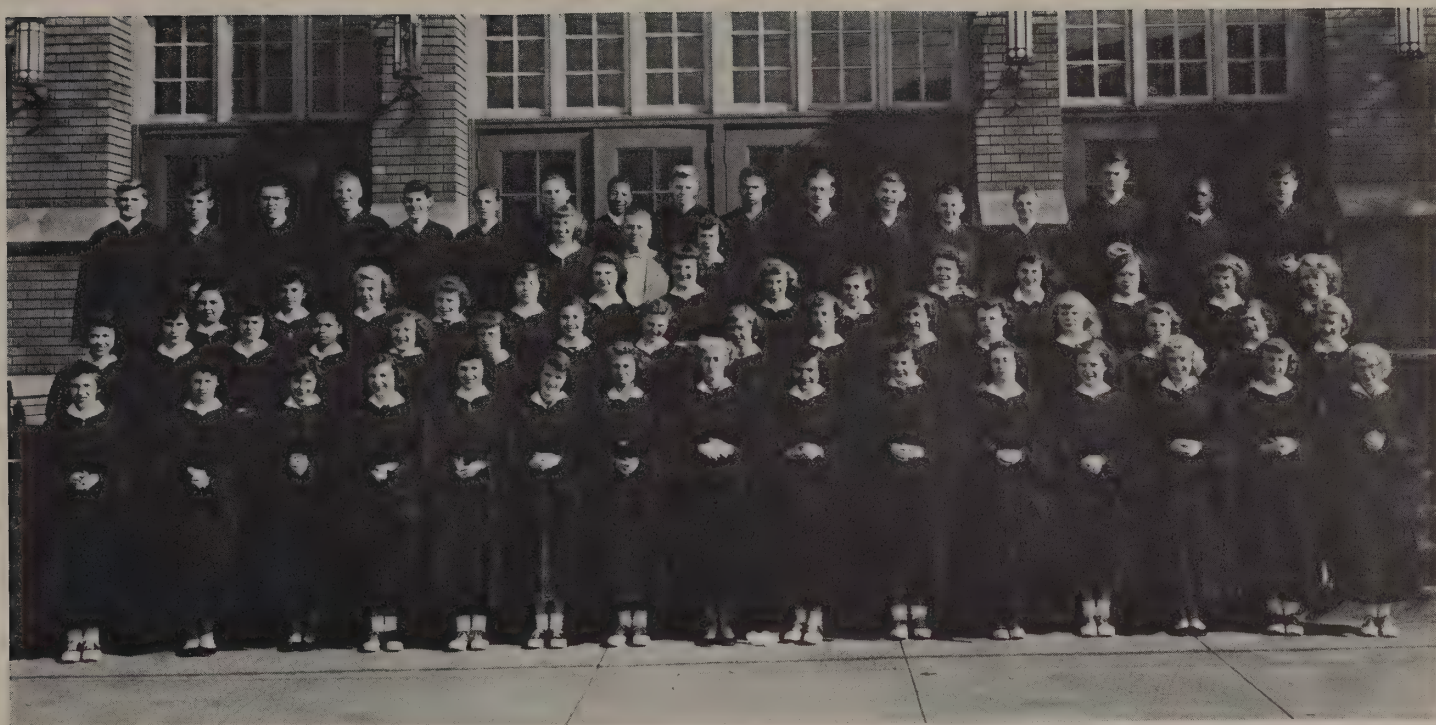

The band is directed by Mr. D. W. Hoover and his assistant, Mr. James Crawford. Officers for 1950-51 are: President, Ed Smith; Vice President, Phyllis Sutherin; Secretary, Doris Peters; Treasurer, Don Metzger.

The Band Council for T.H.S. Band is made up of the four officers and a representative elected from each class. They help make the decisions of the band.

The representatives are: senior, Mary L. Richards; junior, Dale Westlake; sophomore, William Fullerton; freshman, Jon Murray.

An important part of our T.V. show is the Combined Glee Club. The club is the part of our school that contributed music to our programs. The members take part in the district and state musical contests ranking among the first.

The girls' student director is Doris Peters and the boys' director is John Karaffa. The accompanists are Mary Agnes Wise and Jean Weaver. The glee clubs are directed by Mr. Hoover.

Who is it that takes the senior girls' place in the Girls' Choral Group when they leave? Why it's our own Sophomore Glee Club. They also take part in shows here at T.H.S., and they do a creditable job.

They are directed by Mr. Hoover, and the student director is Joan Howard.

What would a high school be like without our High School Orchestra? At every high school program they play for the opening exercises and the closing. At all plays given by the high school students, the orchestra adds musical zest.

Student officers for 1950-51 are: Student director, Ed Smith; Secretary, Jean Weaver; Librarian, Berl Lyons. The orchestra is directed by Mr. D. W. Hoover, and accompanied by Nancy Bassford.

Want to tune in on some sweet music?

The Knight Knotes are the newly organized dance band of T.H.S. under the direction of Mr. James Crawford.

The members of the band are Wanda Milligan, Roy Montgomery, Michael Herick, George Batcho, Larry Patterson, Donald Metzger, Ed. Smith, Berl Lyons, William Fullerton, Dick Craven, and Harry Mihalik. They are accompanied by Jean Weaver. The student director is Harry Mihalik.

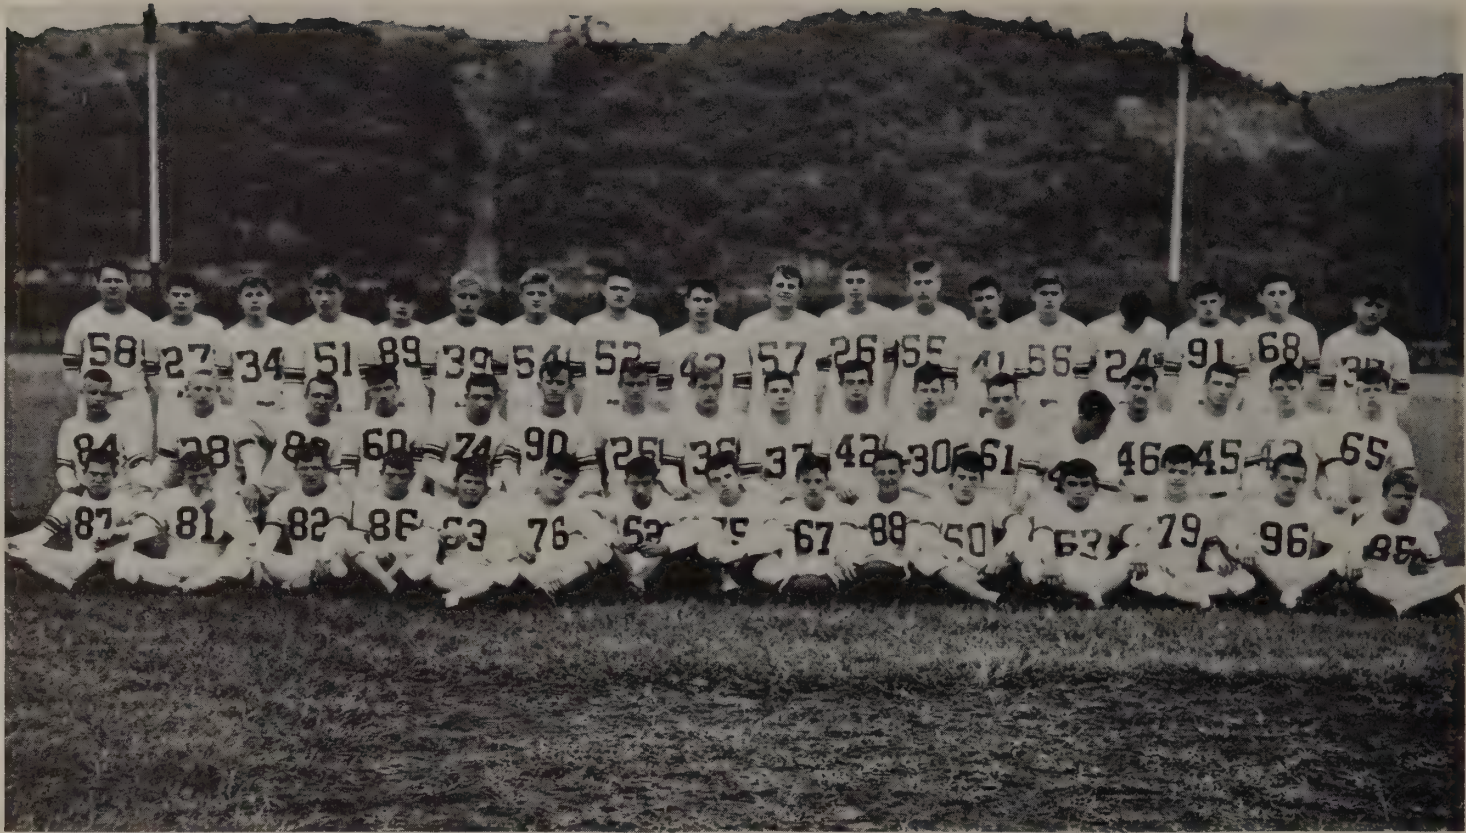

The National Music Honor Society is composed of the outstanding music talent in the Senior Class. For 1950-51 the members are Phyllis Sutherin, Doris Peters, Bob Harmon, Barbara Ball, Ruth Shew, and Harry Mihalik.

New members of the 1950-51 club are Emily Hayes, Wilma Gorder, Berl Lyons, Michael Herrick, Wanda Milligan, Mary Lou Richards, Ed Smith, Donald Metzger, Dick Craven, and George Batcho.

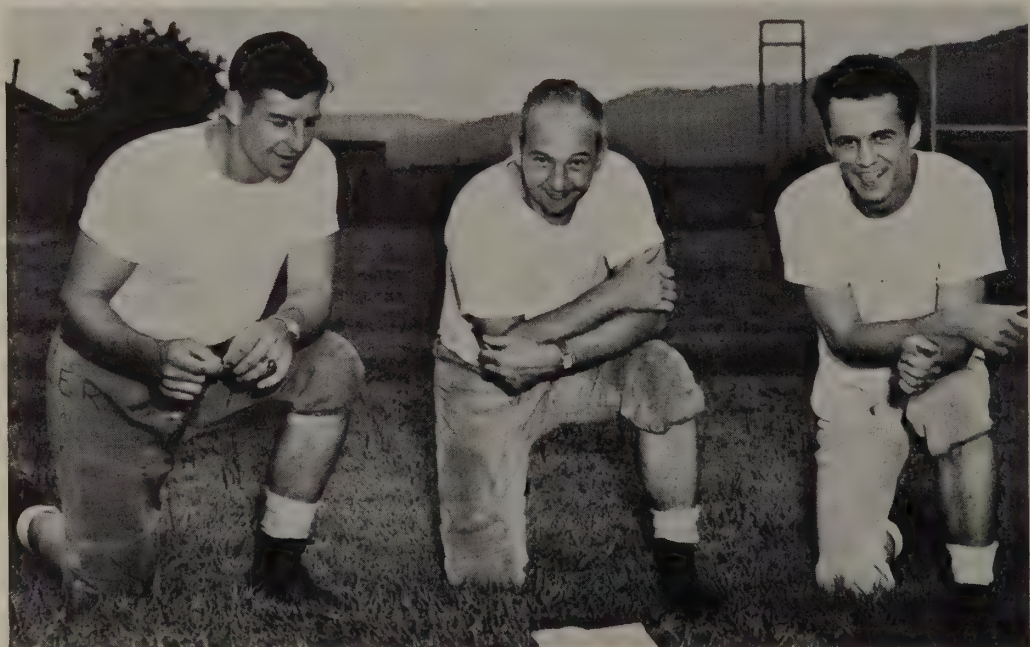

All freshman girls and boys who wish to take part in our shows, have an opportunity to do it. They sing to the accompaniment of Marianne Miller. Mr. Hoover is their director, and Linda Wynkoop is their student director.

The first performance T.H.S. gave in the way of sports for 1950-51, was the football games. Under the coaching of John Zimmerman, the squad battled through a tough schedule. Nevertheless, the team held their own all through the season, and we know that they did their best to give us top performance.

The Varsity Basketball Squad, in their performance on the "hardwood", put on many fine shows for their audiences. Under the guidance of Coach Kunzler the team did their command performance when defeating the powerful East Liverpool Potters 56-53. Good work, boys! A splendid show.
